
KEC International Q1 profit up by 50pct to INR 38.23 crore

Friday, 31 Jul, 2009

PTI reported that power transmission and engineering company KEC International net profit increased by 50% to INR 38.23 crore for the Q1 ended June 30th 2009, over the same period last year.

KEC International in a filing to the BSE said income from operations increased to INR 732.85 crore in the latest quarter, against INR 610.04 crore in the same quarter previous fiscal.
