
Management changes at Murchison Metals

Monday, 17 Aug, 2009

Murchison Metals Limited announced that a number of new senior executive appointments at Oakajee Port and Rail and Crosslands Resources Limited.

Mr Paul Kopejtko executive chairman of Murchison said that he is delighted that OPR and Crosslands continue to attract such high caliber executives to their management teams.

He said that "These appointments complement the outstanding teams that have been recruited to date as OPR and Crosslands progress studies for the mid west port and rail projects and the stage 2 expansion of the Jack Hills mine respectively."
