
SCI takes delivery of MV Desh Vishal

Saturday, 27 Jun, 2009

Shipping Corporation of India announced that it has taken physical delivery of its very large crude carrier vessel MV Desh Vishal of 321,137 DWT capacities.

The company is a Government of India enterprise with substantial interest in different segments of the shipping trade. It was formed by amalgamating Eastern Shipping Corporation and Western Shipping Corporation. The company has a significant presence on the global maritime map and is the country's premier shipping line.
