
Nagarjuna Construction bags 4 orders worth INR 797 crore

Thursday, 02 Jul, 2009

It is reported that Nagarjuna Construction Company has bagged four orders amounting to INR 797 crore.

However, NCC's first order valued at INR 418 crore is from the Andhra Pradesh Government for construction of gravity canal and related works on right bank of the proposed Barrage across River Pranahita at Bellampally in Adilabad district, to be completed over a period of 48 months.

As per report, the second order worth INR 168 crore from Maharashtra State Electricity Distribution Company is for different electrical works in Pandhrapur Division at Kolhapur Zone, to be completed in 24 months. Bangalore Development Authority awarded INR 132 crore contract for the construction of flyover. The project is slated to be completed in 18 months. The last order valued at INR 79 crore from MSRDC is for the construction of flyover at Kapurbawadi Junction, expected to be completed over a period of 18 months.
