## **Qatar to start gas supply to Pakistan from November**

*Saturday, 04 Jul, 2009*

The News cited Mr Waqar Ahmad Khan Pakistan's Federal Minister for Investment as saying that Qatar would start providing Liquefied Natural Gas and Liquefied Petroleum Gas to Pakistan by November this year.

Mr Ahmad Khan said that "Qatar would provide 1.5 million tonnes of LNG and 1 million tonnes of LPG to Pakistan."

He added that the decision on necessary logistics for fuel transportation would be taken within a month.
