
Chongqing Steel teams up with CSSC Guangzhou

Saturday, 04 Jul, 2009

It is reported that Chongqing Iron & Steel Co Ltd signed the strategic cooperation agreement with CSSC Guangzhou Shipbuilding Co Ltd on June 30th.

As per report, the two partners will expand their cooperation ranges after the relocation of Chongqing Steel.

The steelmaker said that its newly-built 4100mm wide & heavy plate lines would be put into productions in Q3 enable itself to produce more quality products.
