## **Murchison Metals welcomes Crosslands appointment of Mr Cowley**

*Saturday, 03 Oct, 2009*

It is reported that Murchison Metals Limited welcomes the appointment by Crosslands Resources Ltd of Mr Steve Cowley in the role of Project Director Mine.

Mr Paul Kopejtka Executive Chairman of Murchison said that the appointment represented the continuing growth of the Crosslands team as it progresses with its expansion studies.

He said that "Mr Cowley brings a wealth of key project delivery experience that will add to the management depth and expertise of Crosslands as it continues its studies for the upcoming expansion at Jack Hills."
