
IVRCL Infrastructure wins INR 523 crore order

Friday, 09 Oct, 2009

IVRCL Infrastructure & Projects Ltd said that it has bagged two orders worth INR 523.31 crore for infrastructure and construction related works.

IVRCL Infra in a statement to the Bombay Stock Exchange said that they have received an order worth INR 287 crore from UP Jal Nigam for sewerage works in Allahabad. Further, the company got another project worth INR 236.31 crore from Kakade Infrastructure for construction of five building towers a hospital and a hotel in Pune.

Sewerage work project in Allahabad has been awarded to the company under the Jawaharlal Nehru National Urban Renewal Mission.

The scope of project includes survey, construction and commissioning of sewerage works. It includes construction of 60 MLD sewerage treatment plant.

IVRCL added that completion period of this project is 36 months.
