
Interpipe becomes a partner of song contest Eurovision 2009

Sunday, 18 Oct, 2009

Leading international pipe and railway wheel producer Interpipe has become an official partner of the seventh Eurovision song contest for children that will take place in Kiev from November 16th to 22nd.

Mr Oleg Kuzmin Director for Corporate Affairs at Interpipe said “It is a real honor for us to support the organization of such a popular event that will be held in Ukraine for the first time. I’m sure that the entire continent will see this enjoyable family show that will give lots of memorable moments and open musical talents. Children from our Palace of Culture “Metallurgy” will participate at the event and will confirm Interpipe company slogan of “The one to watch”. These children have already won different Ukrainian and international song contests.”

At the opening ceremony of the “Eurovision” song contest for children that will take place in the Ukrainian House on 16 November, the “Happy childhood” ensemble will perform their best songs and dances with more than 50 young dancers on the stage.
