
UMMC copper production in 2009 to decrease by 10pct

Friday, 23 Oct, 2009

It is reported that Russia's Urals Mining and Metals Company's copper production in 2009 is expected to decrease by 10%.

UMMC will export 65% of its total copper production mainly export to the countries in Europe and the in Middle East. The company had planned to increase the production in 2010. UMMC is Russia's second largest copper producer.
