
NALCO sells alumina at USD 301 per tonne - Source

Thursday, 29 Oct, 2009

Reuters reported that India's state run National Aluminum Company Limited sold 30,000 tonnes of alumina at USD 300.5 per tonne on an FOB basis.

The source said that the alumina was purchased by Hong Kong's Hongfan International Limited. The shipment will take place in November. NALCO, whose tenders serve as an international benchmark last sold alumina at USD 283.69 per tonne.
