
Hyundai Vinashin Shipyard hands over 56,000 tonne ship

Wednesday, 04 Nov, 2009

It is reported that Hyundai Vinashin Shipyard Co Limited has handed the ship E.R.BOLOGNA over to the shipping company ER Shiffahrt from Germany.

This is the second ship to be handed over by HVS in 2009. The building of the 56,000 tonne ship worth USD 50 million was completed within less than 11 months and was handed over to the ship owner two months before schedule.

The third ship to be built by HVS was successfully launched. It is scheduled to be handed over by the end of the year. Currently, the company is continuing to build a lot of new ships.
