
Bangladesh minister visits POSAC

Friday, 06 Nov, 2009

Bangladesh Minister AB Tajul Islam of Patriots and Veterans Affairs visited POSAC a key bidder for the international turnkey project for the construction of the Bangladesh War Monument.

Minister Islam visited the company on October 24 and 27, where he inspected the LED lighting system at the POSAC head office building and discussed the design, structure, and construction of the monument.

The war monument, which will be ordered by the Bangladesh Ministry, will be designed to reach a height of 45 meters and cover an area of 23 square meters. It will be a key structure in the Shadhinata Stambha Memorial Park in the capital city of Dhaka.

POSAC expects that the minister's visit will have a positive effect on the construction bid as well as positively affect future design and construction projects in Bangladesh.
