
Gazprom prepares bid for Sakhalin-4

Thursday, 03 Sep, 2009

Interfax cited Mr Valery Golubev Deputy CEO of Gazprom as saying that Gazprom is preparing a bid for the Sakhalin-4 license territory and is not planning bids for other licenses.

Mr Golubev said "The bid for Sakhalin-4 is being prepared for submission. We don't plan other bids for now. He said that current demand on domestic and export markets do not justify development of new fields.
