
Kandla Port to decide on price bids for 4 new dry cargo berths

Tuesday, 15 Sep, 2009

BS reported that Kandla Port Trust Board will decide on price bids for the construction of four new dry cargo berths at the cost of INR 755 crore on September 15.

Officials of KPT said that price bids of the three bidders which had submitted them namely IMC Ltd, Alpha Vinimay and Mundra Export Ltd, an Adani group company, were opened on September 9.

According to KPT officials, four new dry cargo berths will be constructed on Built Operate and Transfer and revenue sharing basis, which will become functional by September 2011.
