## Tips to use steelguru.com services effectively - No 16 - Forum

*Friday, 13 Nov, 2009*

www.steelguru.com encourages discussions among its readers and has provided this platform “Forum”, accessible only after log in

You can select the “Forum” in TOP BAR and click on desired area to take part in the discussion.

The Public Board is divided into three categories

1. Discussion Forum
2. News Forum
3. General Discussions

The general rules of Forum apply

Readers are requested to note that this is not a platform for peddling or promoting goods, for which “Trade Leads” is provided, and the postings have to be done without any contact details. Administrator would remove such postings and bar the readers from Forum.
