
Mr Mraz is the new EVP and COO of Cline Mining Corporation

Friday, 13 Nov, 2009

Cline Mining Corporation has appointed Mr Dennis Z Mraz to the position of executive vice president and chief operating officer of the company.

Mr Mraz has more than 30 years of management, operational, professional and business experience, including general management, operational management and project management, in major mining companies at senior levels in Canada, the United States and Europe. A registered professional mining engineer and a qualified person for the purposes of National Instrument 43-101, he has managed coal and other mines with up to 1,500 employees.

Mr Mraz will be responsible for the management and direction of all Cline Mining operations.
