
MSC sees higher export volumes in 2009 YoY

Sunday, 15 Nov, 2009

According to the public relations of the Iranian Mines and Mining Industries Development and Renovation Organization, the exports value and weight of Mobarakeh Steel Company are growing 2009.

Mr Mohammad Rajaiee MD of Mobarakeh Steel Company said that “Condition of exports of Mobarakeh Steel Company in 2009 would be better than that of 2008 and it is predicted that factory exports will reach to 600,000 tones to 700,000 tones in 2009.”

Mr Rajaiee said that “Exports of Mobarakeh Steel Company was facing the impacts of global economic crisis in 2008 but in 2009 the condition is better for our exports.”

He said that “At present the plan for production of tin sheets with 100,000 tones capacity is being studied by Mobarake Steel.”

According to him another plan for production of tin sheets with 300,000 tones capacity in south of the country is being studied by Mobarake Steel too.
