
BGR Energy Systems order book up by four fold in 18 months

Tuesday, 17 Nov, 2009

BGR Energy Systems Limited has announced that the order book of the company has grown four folds in a span of 18 months from INR 32 billion at the start of FY 2008-09 to INR 122 billion, by now.

The jump in the order book is primarily on account of orders from four large power projects.

The company has bagged two EPC Projects worth INR 80 billion in FY 2009 and two BOP orders valued at around INR 30 billion in FY 2010. Power segment currently constitute 95% of the total order backlog.
