
TMK granted official dealers certificates for 2010

Tuesday, 17 Nov, 2009

It is reported that Pipe Metallurgical Company one of the leaders of the world tubular industry and the biggest Russian tubular products producer and exporter held a ceremony of granting of TMK official dealers' certificates for 2010.

Next year 87 leading metal and steel trading companies from Russia, and the CIS including Ukraine, Byelorussia, Moldova, Kazakhstan, Armenia, etc have been appointed TKM official dealers in 2010. Many of the companies are members of Russian Union of Metal and Steel Suppliers.

The ceremony of granting TMK official dealers' certificates is traditionally held as part of program of events of Metal-Expo International Industrial Exhibition.
