
Bids invited for four laning of Hazaribagh to Ranchi section

Wednesday, 18 Nov, 2009

The NHAI has invited EoIs from prospective consulting engineering firms/companies/JVs for the four laning of Hazaribagh to Ranchi section from 40.500 to 114.000 kilometer of NH 33 in Jharkhand.

The project's scope of work includes design, engineering, finance, procurement, operation and maintenance on BOT basis under NHDP Phase III.

The INR 625.07 crore project spanning 71.16 kilometer is to be constructed in three months time.
