
Round table on Kremikovtzi problems held in Sofia

Thursday, 19 Nov, 2009

Focus News Agency reported that national round table on the problems of Kremikovtzi steel mill will be held in Sheraton hotel in the capital Sofia.

The event is organized by the Metalitsi federation with the Confederation of Independent Trade Unions on Bulgaria and the Bulgarian Association of the Metallurgical Industry.

The round table will be attended by MPs, minister, representatives of creditors and the management of the steel mill.
