
Monday Market Monitor - CIS (WEEK 48) - Revival continues

Monday, 30 Nov, 2009

This week prices on main products once again moved up. In line with the factors Billets offers now fully in range of USD 400-410USD per tonne FOB, main suppliers keep USD 405-410 per tonne level. The demand was primarily from Turkish producers.

Prices of finished products viz., rebar and wire rod showed improvement by USD 10-15 per tonne as fallout improvement in semis prices. Re bars by main suppliers are proposed at 455-460 USD per tonne, WRC is quoted higher at USD 465-475 per tonne.

Flats producers are well booked for December as well and this a market demand that is described as "fine". So, bottom level for Ilyich material from Ukraine now is around USD 475 per tonne.
