
PSMC privatization – Inter ministry committee formed

Sunday, 11 Feb, 2007

Local media has reported that Pakistan's Privatization Commission Board has constituted an inter ministerial committee, with members from the ministry of industries, ministry of production & special initiatives, finance division and privatization commission as its members, to discuss the mode of privatization of Pakistan Steel Mills Corporation.

As per report, the privatization commission board recently met under the chairmanship Mr Zahid Hamid minister for privatization and investment and considered the requests received from four investors for additional information to give an opportunity to all interested parties.
