
Daewoo Shipbuilding opens its North American plant

Monday, 20 Jun, 2011

Korea based Daewoo Shipbuilding & Marine Engineering and the Premier of Nova Scotia, Canada, celebrated the grand opening of DSME Trenton Ltd on June 14th 2011.

DSTN CEO Nam-Ki Lee said that "We are very pleased with the results of our expansion into the North American market, and our strong partnership with the province. The progress we see here today underlines that we are well on our way to creating a renewable energy cluster in Nova Scotia."

Nova Scotia Premier Darrell Dexter and Mr Nam officially started the company's production line at the Trenton, Nova Scotia, facility.

DSTN's more than 100 workers are currently fulfilling orders for 30 towers.
