## **Sathavahana Ispat starts relining of BF**

*Tuesday, 05 Jun, 2007*

Sathavahana Ispat Limited announced that it has decided to shut down pig iron plant at village Haresamudram in Anaparthi district of Andhra Pradesh to carry out relining of blast furnace and other repairs.

The release added that the relining will last for about 45 days to 50 days and the plant operations will resume after these works are completed.
