
PSMC Privatization – Decision to be based on capital needs

Thursday, 20 Dec, 2007

News Daily reported that Mr Salmaan Taseer Pakistan's caretaker federal minister for industries, production & special, on a question about privatization of the mills said that "If the performance of an organization is good and required capital is also available, then there is no need to privatize such a unit."

He added that however, if capital is required, a decision in this regard should be taken keeping in view the national interest.
