## **OEOC inks exploration deal in Iran**

*Thursday, 10 Jan, 2008*

Mehr News Agency reported that Oil Exploration Operation Company has signed the EUR 7.7 million contract on exploring Northern Khorassan region in Iran.

Mr Mahmud Mohaddes exploration manager of National Iranian Oil Company said that it is equipping the workshop for exploration operations. He added that Raz, Sarakhs, Darregaz, and Khangiran are the blocks where seismographic operations start soon.
