
Alumco wins AED 81 million contract for Vision Tower

Friday, 11 Jan, 2008

UAE based steel manufacturer Alumco LLC has announced that it has won a contract worth AED 81 million for Vision Tower, a Dubai Properties' development located at the main entrance of Business Bay.

Mr Samer Barakat MD of Alumco said that "This is another major project that adds to our status as a leading provider of premium products."

Project design has already started and installation will commence at the beginning of 2008.
