
Sinosteel and Rickmers to jointly build Tianjin docks

Friday, 09 May, 2008

It is reported that Tianjin Port Group, Rickmers Line and Sinosteel Group will jointly build Tianjin dock and will expand shipping, logistics, financing the other aspects of cooperation.

Rickmers Line expressed that it will closely tie up with Tianjin to further enhance the company's confidence in the development in Tianjin.

Rickmers Line is the world's largest grocery transport company, headquartered in Hamburg, professionally carries steel products, overweight mechanism equipments and large investment goods projects.

Tianjin Pipe Company and other large scale enterprises are Rickmers Line's long term cooperative partners.
