
Pakistani firm inks wind power MoU with China

Wednesday, 16 Jul, 2008

According to the company sources, in order to promote alternative energy especially with wind generation a Pakistani enterprise has signed a memorandum of understanding with China's one of the world top wind turbine manufacturers.

Mr Tariq Sayeed chairman of Planet Energy and Mr Khurram Sayeed Executive Director, whereas Goldwind Science and Technology was represented by Mr Wang Xiangming its Vice President were present at the signing of the MoU. MoU was signed at Urumqi in China.

The Planet Energy Limited has signed the MoU with Goldwind Science and Technology, China's largest and one of the world's top 10 wind turbine manufacturers, for purchase of turbines for its planned 50MW wind farm with the option of increasing it to 150MW.
