## Hyder Consulting to design Palm Deira bridges in Duabi

*Thursday, 14 Aug, 2008*

Khaleej Times reported that Hyder Consulting Middle East has been selected by master developer Nakheel to design the architectural concept of all the 44 long span bridges on Palm Deira.

Under the contract Hyder Consulting will design the bridges as impressive and aesthetically pleasing gateways reflecting the iconic status of Palm Deira, the largest of the Palm Islands under development in Dubai.

A network of 26 interlinked islands connected to Dubai's waterfront, Palm Deira is also set to be the largest man-made island in the world.
