
BZHD and RZHD ink an agreement

Wednesday, 24 Dec, 2008

It is reported that Belorussia Railway and RZHD signed an agreement on cooperation in the production cooperation sphere. As per report the document is aimed to provide the legal basis for the development and improvement of relationships between two sides.

RZHD is a major partner of BZHD in the provision of the international cargo shipment. Russia covers 16% in the total volume of carriages.

BZHD is the most important chain in the Russia-Kaliningrad linkage and covered 30% in the traffic.
