
Legacy iron acquires South Laverton project

Saturday, 14 Mar, 2009

Legacy Iron Ore Ltd on March 12 expanded its gold portfolio in Western Australia with the acquisition of the South Laverton exploration project from Jackson Minerals Ltd.

Under the conditional sale agreement, Jackson will receive AUD 100,000 cash deposit from Legacy and AUD 250,000 in cash or shares at Legacy/s discretion on completion of the sale.
