## **Investors keen to invest in PSMC - Mr Wattoo**

*Wednesday, 15 Apr, 2009*

The News cited Mr Mian Manzoor Ahmed Wattoo Minister for Industries and Production as saying that investors are keen to make investment in various projects in the country.

Mr Wattoo said that about seven countries were willing to invest in the Pakistan Steel Mills expansion project.

The minister said that the Pakistan Steel Mills expansion project would enhance its production capacity to 5 million tonnes from 1.1 million tonnes.

He added that investors are showing interest to invest in DPA factories, power generation and windmills project.
