## **NS Group names Mr Donnelly as chairman**

*Friday, 12 May, 2006*

NS Group Inc, a maker of tubular products used in oil and gas pipelines, has named Mr Patrick Donnelly as chairman. He succeeds Mr Clifford R Borland, who will become chairman emeritus, and remain a director of the company.

Mr Donnelly also was named to the company's executive committee. He has served as a director since 1981.
