
CNOOC signs pact for 2 vessels with Wuchang

Friday, 01 May, 2009

SeaTradeAsia-Online reported that Chinese oil giant CNOOC recently signed an agreement with Wuchang Shipbuilding Industry Company for the construction of two anchor handling, tug and supply vessels. Wuchang Shipbuilding Industry Company will build the two UT788 CD deepwater vessels with overall construction value of CNY 1.4 billion.

According to the report, the vessels measure 93.4 meters in length, 22 meters in width and 6.5 meters of water line with 29,000 HP of total propeller power.
