## **Rays of recovery - Suzuki Motorcycle April sales up by 33%**

*Tuesday, 05 May, 2009*

Suzuki Motorcycle India Monday reported 33% jump in its sales for the month of April at 13,548 units.

Suzuki in a statement said that it had sold 10,208 units in April last year. It added that "The increase in sales is attributed to the tremendous response for the new product GS 150R."

Suzuki Motorcycle India Pvt Ltd is a subsidiary of Japanese auto major Suzuki Motor Corporation.
