## **IMFA bags EEPC Star Performer Award**

*Thursday, 28 May, 2009*

Kalinga Times Correspondent reported that Indian Metals & Ferro Alloys Ltd has been awarded the Engineering Export Promotion Council Eastern Region Award under the category Star Performer in Product Group from Eastern Region 2006-07 (Silver Shield) Ferro Alloys for outstanding export performance during the year 2006-07.

The award which is sponsored by the Ministry of Commerce, Government of India is given every year to meritorious exporters. The award was presented by Mr Arun Kumar Bit development commissioner of FALTA Special Economic Zone, Dept of Commerce, Government of India, at a special function in Kolkata on last Wednesday and was received by Mr Dipak Prusty GM (Finance), on behalf of IMFA.

Mr Subhrakant Panda MD of IMFA said "I am delighted that our focus on producing & exporting value added Ferro chrome has been recognized. We take great pride in an integrated business model which is not only sustainable but also maximizes returns for the company, community and country."
