
Reach Indian steel and allied sectors at competitive rates

Saturday, 13 Jun, 2009

We would like to inform you of a unique opportunity to reach Indian steel industry and allied sectors through our platform.

www.steelguru.com is the most popular and visited English based steel portal globally with average daily page hits of 60,000+ per day. You may like to check our ranking using www.alexa.com, where it can be compared with other web sites. It has a very special place among Indian audiences as more than 50% of the visitors are from Indian subcontinent.

In addition, our E mail based daily news letter Steel Trade Today reaches more than 40,000 persons spread in 170 countries. Again, about 50% of the STT readers come from India

Thus you could take advantage of www.steelguru.com and STT

1. To improve the visibility of your company in India
2. Reach out to new clients and improve your sales.
3. Launch new product and services
4. Increase the number of visitors to your web site
